A bus company quote for **school bus transportation\*** is enclosed.

I would like to request the following subsidy amount toward the cost of school bus transportation to the Stratford Festival:

\$200	Amounts over \$1,000 are available only to schools travelling at least 150 kilometres/93 miles to Stratford:			
\$400				
\$600				
\$800		\$1,200	\$1,600	\$2,000
\$1,000		\$1,400	\$1,800	

Yes my school has received the Festival School Support Fund in the past.

*\*The Festival School Support Fund will not cover the additional cost of a coach bus or other type of transportation. However any confirmed funding based on the cost of the school bus may be applied towards your overall cost if a coach bus is required for travel.*

We certify that this is a fair representation of our students' financial ability to contribute towards their trip to the Stratford Festival.
