

Helpful Information about *The Neverending Story*

Audience Advisory

This production includes intense music and strobe lighting effects, which have been lessened for this performance but not omitted. It also includes special high-contrast lighting effects that are similar to black light. This show may not be suitable for people with sensitivity to light. Some scenes may be frightening to the very young. For the relaxed performance, house lights will be raised.

The Title

The play is called *The Neverending Story* – which is also the title of the book within the play.

Frequently Asked Questions

Is Atreyu really eating cotton candy when he sits on the colourful rainbow gate?

Yes! There is a small container of real cotton candy that is refilled before each performance.

Are the actors who play Atreyu and Bastian brothers in real life?

No, the wig department modelled Atreyu's wig after the real hair of the actor who plays Bastian, to make them look more alike.

How many actors are in the play?

There are 14 actors and two swings playing 70 roles, including puppets and puppet parts.

How does Falkor fly?

You'll have to wait and see!

Who is Gmork, and why is he in both the real world and the world of Fantastica?

Gmork is a villain who, like Bastian, can travel between the two worlds. He is represented as a human in Bastian's world and a werewolf in Fantastica.
